Enjoy the only experience in Sri Lanka that allows you to spot wildlife from the water. It's a unique way to immerse yourself in the animals' habitats. With a little luck you could spot elephants swimming between islands or bathing at the lake's edge. A 2-3 hour safari by boat, and a scenic 40 minute drive from the lodge to the lake is perfect to explore the national park and surrounding villages.

Enjoy a jeep ride into the forgotten Nilgala section of Gal Oya National Park. Once protected by ancient royalty for the abundant medicinal plants and endemic birdlife, the park's unique ecosystem is home to herds of elephants, wild boar, four species of deer, jackals, sloth bears, marsh mugger crocodiles and an array of rare exotic birds. Our more intrepid guests can couple the drive with a safari on foot. Hike through the park with our expert naturalists and see wildlife up close while exploring hidden corners of the park.
